

Hitchin Food Provision Team

is a group of local organisations and charities that provide food vouchers for vulnerable families

ALL YEAR ROUND.

At Christmas we try and increase our reach and provide hampers for over 150 families and individuals who need support.

We can only do that with your help.

Anything you can give will help this

Christmas and into 2024

You can donate money online here

Thank you!

You can purchase toys from our gift list here

A local collaborative approach to help people in our community
